## Improve your English on an ESOL course at Adult Learning Lewisham

### Gain an ESOL qualification

Our courses are designed to help you develop the language skills needed to live and work in the UK. We offer a range of courses from entry levels to level 2.

Courses cover all four language skills: **reading, writing, speaking and listening.**

### Our advanced courses will:

- Prepare you for higher education
- Enable you to communicate effectively at a professional level
- Help you achieve your career ambitions.

### English Language preparation courses

We are a 'listed SELT provider'. Secure English language tests (SELTs) are approved by UKVI, Home Office. These tests are to apply for 'leave to remain' or 'citizenship' where evidence of spoken English language ability is a requirement.

#### We offer the following preparation courses:

- **Preparation for British citizenship** – this course will prepare you for the spoken English (GESE) grade 5 (B CEFR) examination.
- **Indefinite leave to remain** – this course will prepare you for the spoken English (GESE) grade 3 (CEFR level A2) examination.

Our preparation courses will give you a full understanding of the test requirements and will prepare you for the test. Experienced tutors will help you find a test centre and show you how to book your test.

#### Entry requirements

Your level of English must be established at entry 3 (B1) for British Citizenship and entry 2 (A2) for indefinite leave to remain preparation courses.

### How to enrol

You will need to complete a pre-course assessment before you can enrol. At the pre-course assessment we will confirm your skills level and our ESOL specialists will advise you on the best course.

To book an assessment call 020 8314 6959 Monday to Thursday, 10am-4pm or visit one of our main adult education centres.
